## Letter from the President

Another month has flown by and it's beginning to feel like snow will be here at any time now. Don't wait till you're getting on your sled for that first ride to make sure that everything is in good working order. This is where an ounce of prevention is worth a pound of cure! Don't over look that fall pre-ride check and if you didn't use stabilizer in your gas you may want to clean those carbs before you ride! Today's gas goes bad quicker than ever before, so be sure to get some fresh gas and check things over before that first ride. A leaned out carb and a seized piston is a lousy way to start the season! ☺

I wish to thank the bowlers that showed up at King's Lanes on November 21<sup>st</sup> for the Bowl-A-Thon to benefit Easter Seals Camp Sno Mo. A good time was had by all that attended and the coffee and munchkins always hit the spot! The two prize winners this year were Ed Labore and to Heather McGlauffin. Congratulations to both bowlers and to all who helped to raise money for this event.

Lee Forcier and I addressed the renewal of our Non Profit Status with the state so we should be good for another five years. There is nothing new to report from this month's County meeting. Cliff Russell is still in need of an assistant County Director!

The club will be hosting another Safety Course on January 8<sup>th</sup> at the Rec Center. If you have any children that will be turning 12 or older this riding season this is a class they should attend so they can get their certificate to operate a sled. Contact Jeff Filleul at 529-2129 to register your child for the class. It is important to pre register as space is limited and so that we can be sure to have enough materials from the state for all students attending. Adults are welcome to take the class as well for informational purposes.

That's it for now! Hope to see you at the December 13<sup>th</sup> meeting/Pot Luck/Yankee Swap! If I don't see you at the meeting, be safe and have a wonderful Christmas and a Happy New Year!

Your President,  
Albert Lambert

## B.S. from Bill

Hello all,

I am not going to bore or bring you down with all that is going on in my life, but believe me it is not been a good November. So, therefore this month I have nothing to say really. Instead I will do another song parody as way to try to bring a smile to someone's face.

Snowflakes keep fallin' on my sled  
And just like the guy whose spikes are strewn along his tread  
Nothin' seems to slip  
Those snowflakes are fallin' on my sled, they keep fallin'

So I just did me some flyin' down the run  
And I said this is way too much fun  
Hear the engine gun  
Those snowflakes are fallin' on my sled, they keep fallin'

But there's one thing I know  
The skis are running straight and long  
It won't be long till I have to make a turn

Snowflakes keep fallin' on my sled  
But that doesn't mean I will soon be turnin' home  
Got some miles to roam  
'Cause I'm never gonna stop the snowin', ain't no way  
Because I'm free  
Nothin's worryin' me  
It won't be long till gas is what I need to be buyin'

Snowflakes keep fallin' on my sled  
But that doesn't mean I will soon be turnin' home  
Got some miles to roam  
'Cause I'm never gonna stop the snowin', ain't no way  
Because I'm free  
Nothin's worryin' me

No more BS for now,  
Bill Lofgren
