Letter from the President

I hope that you all had a wonderful Christmas and that this message finds everyone well as we head into the New Year. It was nice to have a little snow to give us a white Christmas. With any luck, some of you were able to get out and ride over the holidays to give your sleds and yourself a test run before our adult weekend January 21st. It should be a fun weekend, especially with the added benefit of being able to ride into VT that weekend! Don't forget to bring proof of insurance on your sleds with you if you're going to ride in VT that weekend. It's a \$600.00 fine if you're caught riding without insurance in VT so don't get caught!!

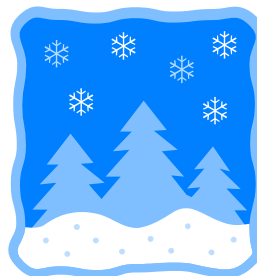

If you made last month's meeting I'm sure you'll agree that we had a great time with the Yankee Swap (as always) and the Christmas Buffet. I would like to thank everyone that brought a food item with them for doing so! We had some great food & desserts with just about the right amount of each. Thanks, again and I look forward to next year's!

We'll be hosting a safety class this Saturday at the Rec Center for anyone 12 or older (or turning 12 this riding season) with Jeff Filleul as the Chief Instructor. Call Jeff ASAP if you have anyone that you'd like to register for the class to see if there is any space left. Jeff # 529-2129

Looking at the club's calendar, we have a club day ride scheduled for January 15th. Let's keep our fingers crossed that we get to keep this date and that we get more snow before then.

Dave McGlauffin will be drawing 8 numbers for the 120 Club this month. So, if you have any numbers that you sold (or would like to purchase one) be sure to attend this meeting.

Don't forget the adult weekend January 21-23 at the Hampton Inn in Littleton and the weekend in Errol February 4-6th. If you need any info about Errol call Linda Lambert at 497-2023 and she'll fill you in.

B.S. from Bill

Hello all,

Hi folks. This will be a short article this month. I honestly don't have much to say. I am a little overwhelmed at the moment with things at home and what-not. I haven't really heard of anything from around the club. I don't know what the conditions are like or who is riding. Basically I don't know Jack S*%@! Pretty much the story of my life: remember I am married and have two teenage daughters, so they can vouch that I don't know crap. LOL

I truly hope all had a wonderful Christmas and a happy and safe New Year. For the little ones, and I am sure quite a few adults, a white Christmas was nice to see. I hope my situation changes soon and I am able to dedicate the time and effort this position and article warrants.

No more BS for now,

Bill Lofgren
